

AUSTRALIAN ASTRONOMICAL OBSERVATORY & MACQUARIE UNIVERSITY

HONOURS SCHOLARSHIP APPLICATION FORM 2011

The Australian Astronomical Observatory in collaboration with the Faculty of Sciences, Macquarie University, is offering up to two Honours scholarships for 2011 for co-supervised engineering-instrumentation and/or astronomy projects at the AAO. These scholarships are available to 3rd year physics students studying at Australian Universities who are continuing on to Honours. Scholarships will be awarded on academic merit and have a tax-free value of \$5000. The awarded scholarships will become available once enrolment at Macquarie University has taken place for the honours year. They would suit students in Opto/electronics, computing, and general physics as well as astronomy.

Applications must be received by 30th October 2011. Forms with CV, academic transcript and two references should be returned to: Prof. Quentin Parker, Department of Physics & Astronomy, Macquarie University NSW 2109 (tel: (02) 9850 8910)

PERSONAL DETAILS

Name.....

Address.....

Suburb/City.....

Postcode.....Telephone.....e-mail:.....

NAMES & ADRESSES OF TWO ACADEMIC REFEREES – please organize to have references from these referees sent along with your application

--	--

Research area(s): We are very keen to attract students to work within the AAO instrumentation group and there are a variety of interesting and exciting potential engineering/instrumentation honours projects available (refer <http://www.aao.gov.au/instsci> for current list). Opportunities also exist within the astronomy group (refer <http://www.aao.gov.au/allstudents/studentsgrad>):

Please state preference: 1) Instrumentation/Astrophotonics or 2) Astronomy :

Please state in 100 words or less why you would like the opportunity to undertake an honours research project at the AAO

DECLARATION

I declare that the information provided above is true and authorise Macquarie University to obtain any documentation and/or results referred to for the purpose of this application. I understand that the University reserves the right to vary or reverse any decision made on the basis of incorrect or incomplete information. I have read the accompanying explanatory and procedures documentation.
