MACQUARIE UNIVERSITY | FACULTY OF SCIENCE

VACATION SCHOLARSHIPS 2010-2011
APPLICATION FORM

The Department of Physics and Astronomy, Macquarie University, is offering several undergraduate vacation scholarships for summer 2010-2011, for periods of 6-7 weeks. These vacation scholarships are available to 2nd and 3rd year physics or astronomy students studying at Australian Universities. Scholarships will be awarded on academic merit and suitability and have a tax-free stipend of $500/week. Some travel expenses will be paid for return travel to Macquarie University for successful applicants from outside the Sydney Metropolitan area.

Applications must be received by 17 September 2010. Application form, CV, academic transcript and two references should be returned to: Physics and Astronomy, E7A 217, Macquarie University 2109. For enquiries, please telephone (02) 9850 8911.
