

Occupational Health and Safety Agreement

1. Compliance with all relevant legislation and local policies:

I accept that in using this facility I will comply with all relevant aspects of Occupational Health and Safety (OH&S) legislation, regulations, University and Divisional OH&S policies and procedures, and correct operating procedures as explained to me during the induction course. I am aware that the failure to do so may result in suspension of the rights to access the facilities or other penalties.

I accept

2. Completion of Risk Assessment:

Have you done the risk assessment using either an approved form from your institution or the form from Macquarie University. The form can be found at: <http://www.ics.mq.edu.au/ohs/forms/documents/HazardousSubstancesRiskAssess.pdf>

Yes/No

If no then

- 2.1. The Risk Assessment form must be completed and signed by Prof. Ewa Goldys before using the facility. This form is found at: <http://www.ics.mq.edu.au/ohs/forms/documents/HazardousSubstancesRiskAssess.pdf>

If yes then

- 2.2. It is compulsory to bring to Macquarie University the relevant Material Safety Data Sheets (MSDS) applicable to the substances you are bringing to the facility.

I declare I will have the MSDS with me during the period that I and the substances are in the facility.

I accept

3. Compliance with controls identified in the risk assessment:

Has the risk assessment identified special safety measures or equipment needed to safely work with this substance

Yes/No

If yes, please give details (Specialised equipment/safety measures must be provided):

I agree to comply with the control measures identified in the Risk Assessment

I accept

4. Agreement to remove all materials/equipment brought in:

Safe disposal is the responsibility of the user. Please ensure that all materials brought to the facility and/or Macquarie University are removed from the Facility and Macquarie University.

I undertake to remove all materials brought to the facility and Macquarie University.

I accept
